PROFESSIONAL EXPERIENCE

Senior Performance Marketing Consultant

Cuttlefish Digital (APAC Agency) · Remote · 2021 – Present

Retained consulting engagement. Client: Energy Tracker Asia & Climate Impacts Tracker Asia, Asia-Pacific climate and energy media platforms under the Global Strategic Communications Council (GSCC).

- Architected and executed a full digital growth strategy across paid distribution, SEO, newsletters, podcasts, and push notifications for two high-profile APAC climate and energy media platforms.
- Grew organic search traffic by 1,966% in users and 2,000%+ in engaged sessions over three years through systematic SEO architecture, content strategy, and AI search optimisation (AEO/GEO).
- Implemented audience segmentation across paid channels, driving 1,116% growth in key conversion events and 427% improvement in average session duration.
- Launched Climate Impacts Tracker Asia in early 2023 from zero; platform reached 22,915 average monthly organic users by end of 2024 with sustained upward momentum.
- Scaled multi-channel distribution to 14,000+ active newsletter subscribers, 97,000+ average annual podcast downloads, and 30,000+ push notification subscribers per platform.
- Conducted original research on SEO-to-AI search traffic correlation, directly informing content and domain authority strategy for 2025.

Digital Director

Nexlabs (Full-Service Digital Marketing Agency) · Myanmar & APAC · 2022 – 2024

Concurrent with Cuttlefish consulting engagement.

- Directed digital and growth strategy across a multi-client agency portfolio spanning Myanmar and APAC markets.

- Managed cross-functional teams and multi-million USD media budgets across performance, SEO, and content channels.
- Oversaw campaign delivery across e-commerce, fintech, FMCG, technology, and financial services verticals.

Associate Director, Head of Performance Marketing Nexlabs · 2020 – 2022

- Built the performance marketing practice from zero; recruited and mentored a team of six specialists, all of whom progressed to senior or regional digital roles across Southeast Asia.
- Managed full-funnel APAC paid media campaigns across e-commerce, FMCG, SaaS, banking, and technology verticals.
- Visier (B2B SaaS, ANZ Market): Rebuilt conversion tracking and launched precision LinkedIn and Google campaigns for a leading Canadian HR analytics platform expanding into Australia and New Zealand; achieved 36% reduction in LinkedIn cost per lead.
- City Mall Online (E-commerce): Drove launch performance for Myanmar's first major online grocery platform through full-funnel paid media and CRM-backed retargeting; delivered 53x return on ad spend.

Performance Marketing Manager Nexlabs · 2018 – 2020

- CookieTV (Myanmar's leading streaming platform): Diagnosed acquisition and monetisation funnel inefficiencies; restructured targeting, bidding, and creative strategy to achieve a 95% reduction in cost per app install.
- Wall Street English Myanmar (ISO-certified English learning centre): Designed an intent-driven lead generation system; grew qualified leads by 75% while reducing cost per lead by 22%.
- Flexible Pass (Leading fitness app): End-to-end funnel optimisation delivered 89% lower cost per install and 25% higher install-to-registration conversion rate.

Senior Account Executive Nexlabs · 2016 – 2018

- Managed digital campaigns and client relationships across Myanmar brands and regional partners; built core expertise in paid social, Google Ads, analytics, and campaign reporting.
